Lessons & Specialty Courses

Our specially designed **Seattle Swims** Lesson Program puts the emphasis on safety, fitness and fun! Our teaching techniques utilize well organized progressions for learning, plenty of practice and instructor feedback. We will group children by ability on the first day of class to provide the best opportunity for your child's success.

Tot Lessons (Ages 6 months – 4 years) Parents introduce their infants and toddlers to the swimming pool as we teach basic water adjustment and swimming movements. Songs and games create an atmosphere of fun, enjoyment and relaxation. Each child must be accompanied into the water by a parent or adult. Swim diapers or tight fitting plastic pants are required.

Three-Year-Olds Lessons (Age 3) Start your child learning basic swimming skills and water safety in a small group with other 3 year olds. We introduce children to basic water adjustment skills, bubbles, breath-holding, front and back floats, kicking, arm pulls and water safety skills. Children must have initial water comfort and be able to work in the water with an instructor. To ensure safety and quality, we maintain a 3:1 student to instructor ratio.

Kinder Lessons (Ages 4 & 5) Students will start with basic water adjustment and eventually learn these skills: front and back floats, flutter kick, rolling from front to back, side breathing, Front Crawls Stroke with bilateral breathing, backstroke, whip kick, treading water and water safety skills. We will group children by ability levels on the first day of class. We maintain a 6:1 student to instructor ratio.

Beginning Swimmer (Ages 6 – 16) **Floating, Gliding, Kicking:** Children learn to get comfortable putting their face in the water and practicing floating, gliding and kicking on their front, back and sides. These skills provide the foundation for all other swimming strokes they can learn plus kids learn about personal safety and how to know their limits. **Arm Strokes:** Learning to roll from front to back while performing arm strokes is the next step in mastering the crawls stroke. Once kids are doing that we move on to teaching side breathing. Kids also work on back stroke, strengthening kicking, proper body alignment, treading water and swimming in deep water. **Side Breathing and Whip Kick:** Front Crawl Stroke with bilateral breathing, and an introduction to whip kick are among the skills taught in this level. Children continue to work on strength, endurance and proper techniques. We maintain an 8:1 student to instructor ratio.

Advanced Swimmer (Ages 6 – 16) Swimmers are introduced to other strokes while continuing to increase safety, fitness and skill proficiency. **Prerequisite:** Swimmers must have passed Beginning Swimmer (have received a completion card), be comfortable in deep water and able to swim 15 yards without stopping. They must demonstrate good Front Crawl Stroke with bilateral breathing, and proper whip kick on their back. Children not ready will be moved to Beginning Youth Swimmer if there is room. **Learning New Strokes:** Also adds Elementary Backstroke, Breaststroke and Butterfly along with continued practice in Front Crawl Stroke and Backstroke. **Increasing Endurance and Proficiency:** Increased distances and more refinement of the previous strokes along with sidestroke are taught in this course. **Proficiency, Fitness and Water Safety:** Teaches increased mastery of technique and endurance in all the strokes plus safety and basic rescue techniques. We maintain up to a 10:1 instructor to student ratio.

Pre-Competition (Ages: 6 – 17) Experience the fun of competitive swimming - This class is for students who have successfully completed Advanced Youth Swimmer. The coaches will emphasize improving stroke technique, turns and racing starts, building teamwork, and getting a strong workout for increased endurance.

DIVING (Ages: 6 – 16) Have fun while learning critical safety habits, basic springboard diving skills and proper form while supervised by an experienced Diving Instructor. Work on skill progressions for forward and back approaches, take-offs, forward and back dives, inward dives, and more. **Prerequisite:** Students must have successfully mastered skills in Beginning Youth Swimmer and have the ability to dive from the side of the pool in deep water. Beginning Diving 1, Beginning Diving 2, Intermediate Diving

Special Populations Lessons (Ages 6-17) These are individual or small group lessons for youth with cognitive, developmental, or physical special needs. We provide pool chair lifts and portable stairs for easy access. Please contact the pool Coordinators for information at 206-684-4961.
